Did they request from DOT? It is a public lot that businesses use.

Melinda,

I did speak with Pedro earlier, he mentioned the signage in the lot. I spoke with production, they placed the signage to help keep space available for the load in tomorrow morning. The surveys covered both sides of Ave 56 from Figueroa St past Marmion Way. The locations team mentioned that they spoke with a handful of constituents, the gentleman that runs the liquor store and one of the apartment buildings adjacent to the lot.

Hi Jason,

I know Pedro contacted you regarding the signage in the City lot. Do you have the community survey? Also, what parts were surveyed?
